

# Cherries in Liquor / Cerezas al Licor

Cherries in liquor with aniseed flavour are part of our cultural and gastronomic heritage. This magnificent variety of candied fruits is **a classic within pastry and chocolate manufacturing. It is essential for making recipes as attractive as the famous fruits of Aragon:** the mixture of the sweet touch of the cherry, the intensity of the liquor and the crunchy chocolate is a gift for the palate. And we can not forget the presence of this variety of glace fruit in the preparation of nougat.

Las cerezas al licor forman parte de nuestro acervo cultural y gastronómico. Esta magnífica variedad de fruta confitada es **un clásico dentro de la bombonería y la pastelería, indispensable para elaborar recetas tan atractivas como las famosas frutas de Aragón:** la mezcla entre el toque dulce de la cereza, la intensidad del licor y el crujiente chocolate es todo un regalo para el paladar. Y no podemos olvidar la presencia de esta variedad de fruta cristalizada en la elaboración de turrone.
