

Cherry in Syrup / Cerezas en Almíbar

Cherry in syrup is a **classical ingredient in bakery**. Its intense colour and freshness make it a traditional decoration in cakes and patisserie and a very special ingredient in colourful fruit salads. It can even be added to salty recipes for a bright colour and a touch of sweetness that make a difference in recipes such as pâtés.

Las cerezas en almíbar son **un clásico en la repostería y la bollería**. Su intenso color y su fresco sabor, dulce y cristalizado, nos acompañan desde siempre como parte de tartas o pasteles, para acompañar desayunos o incluso como innovador ingrediente de deliciosas ensaladas de frutas y macedonias.
